

Strange Kind Of Woman Lyrics - Deep Purple

There once was a woman
A strange kind of woman
The kind that gets written down in history
Her name was nancy
Her face was nothing fancy
She left a trail of happiness and misery

I loved her Everybody loved her
She loved everyone and gave them good return
I tried to take her I even tried to break her
She said, I ain't for takin' won't you ever learn

I want you, I need you, I gotta be near you
I spent my money as I took my turn
I want you, I need you, I gotta be near you
Ooh, I got a strange kind of woman

She looked like a raver
But I could never please her
On wednesday mornings boy you can't go far
I couldn't get her
But things got better, she said
Saturday nights from now on, baby, you're my star

I want you, I need you, ...

Ooh, my soul, I love you

I want you, I need you, ...

She finally said she loved me
I wed her in a hurry
No more callers and I glow with pride
I'm dreaming feel like screaming
I won my woman just before she died

I want you, I need you, ...

She was so fat
She was the worst thing you've ever seen

Ooh, my soul, I love you, baby
