

## **Do You Love Me (T: -2, H: 3, M: 130)**

**1.** You really like my limousine  
You like the way the wheels roll  
You like my seven inch leather heels  
And goin' to all of the shows, but

Do you love me? ...

**2.** You like the credit cards and private planes  
Money can really take you far  
You like the hotels and fancy clothes  
And the sound of electric guitars, but

Do you love me? ...

**3.** You really like rock n' roll  
All of the fame and the masquerade  
You like the concerts and studios  
And all the money, honey, that I make, but

Do you love me? ...

**R:** Your backstage pass and black sunglasses  
Make you look just like a queen  
Even the fans, they know your face  
From all of the magazines, but

Do you love me? 3x

*(I mean like do you)* really love me

*(I wanna know)* Do you love me? Do you love me?

Do you love me? *(I mean like do you)* really love me

*I wanna know, ... I want you to, ... I need you to*

*And you know I'm so tired of everybody sayin' it, really love me*

*I just gotta know, ... Do you, do you? ...*

*I just got to have some love, I just got to have some love*

*I just got to have some (pause) love (kilo)*
