

Don't Break My Heart Again (T: -2, M: 130)

I'm gonna take it to the limit of my love,
Before I turn and walk away
I've had enough of holding on
The promises of yesterday
Every day of my life, it seems,
Trouble's knocking at my door,
It's hard to try and satisfy
When you don't know what you're fighting for

Time and again I sing your song,
But, I've been runnin' on empty far too long
I've had enough holdin' on to the past,
Make no mistake, it could be your last

Don't break my heart again, like you did before
Don't break my heart again, I couldn't take anymore

I never hide the feeling inside,
And though I'm standing with my back to the wall,
I know that even in a summer love
A little bit of rain must fall
But, every road I take I know
Where it's gonna lead me to,
Because I've traveled every highway
And they all keep coming back to you

Time and again I sing your song ...

Don't break my heart again ...
Don't break my heart *Solo*

Don't break my heart again ...
Don't break my heart again ... *Strings*
Don't break my heart again ... *Hlas nahoru*
